Sir,

Subject Purchasing a cycle at the rate a cost of Rs 200/- by Yelaharka Municipal Council, out of the closing balance in order to watch and detect the Octroi dutiable goods

In forwarding herewith the report No 674/47-48 dated 9th February 1948 along with the resolution of the Municipal Council passed on 28-1-1948 on the above subject, I have the honour to state that the Municipal Council has been urging from a long time to purchase a cycle to facilitate watching and collecting octroi on dutiable goods The Municipal Office and the Octroi Office are located in the heart of the town It is reported by the Municipal President that there is only one peon for looking after the Octroi collection and that the distance between Municipal Office the Town Police Station and the Bus Stand is so great that it is found essential to maintain a cycle to effectively check the articles coming into the town and to levy taxes on dutiable goods The Municipal Council has also resolved on 28-1-48 that a cycle may be owned by the Municipality so that supervision and detection of the dutiable goods of the Octroi may be carried on systematically and effectively

I request therefore that necessary sanction of the Government may kindly be obtained and communicated permitting the Municipal President Yelahanka to purchase a cycle at the rate cost of Rs 200/- and meet the expenditure thereof out of the closing balance of the current year

I solicit early orders of Government in the matter

I have the honour to be, Sir
Your most obedient servant,
